**CANNES COLLECTION**

02 - 05 JUNE 2016

CANNES OLD PORT

## **CANNES COLLECTION 16**

Cannes Collection, a brand new show, debuting in June 2016, is based on evolving notions of luxury and hopes to inspire and delight a discerning, global clientele who seek convenience, speed and service as well as world-class quality and performance.

Here you will find yachts from 20m to 50m, prestige cars, helicopters, private planes, horology (fine watches and vintage), objets d'art, property, art and jewellery ... a selection of the very best brands and finest products carefully curated in one of the world's most beautiful cities.

Held from June 2 to 5, Cannes Collection is scheduled to run immediately after the famous Cannes Film Festival and the Monaco Grand Prix, two landmark events that draw the eyes of the watching world and which, for many visitors to the Riviera, represent the beginning of the Summer Season.

In fact almost everything at Cannes Collection will be available to try and to buy, lease or order right away to enjoy over the coming summer. A concept summed up in the show's rallying cry - **"WANT IT NOW? HAVE IT NOW!"**

## **THE CANNES COLLECTION EXPERIENCE**

A visit to Cannes Collection promises to be a truly unforgettable experience with the opportunity to try many of the fabulous items showcased. Sail a yacht out into the Bay of Cannes and see how she performs on the open water or take a beautiful car for a spin with an experienced driver at your side. Take a trip over the Old Town of Cannes in a helicopter or peruse impeccable timepieces and stunning contemporary art in one of the modern pavilions.

A charity cocktail party will be held in support of The Womanity Foundation, created and chaired by Yann Borgstedt, the swiss entrepreneur whose mission is to improve the access to quality education, training and empowerment for disadvantaged girls and women.

## **THE VENUE**

Cannes Collection will be held around the famous Old Port in Cannes, a unique and iconic location, boasting as it does a beautiful harbour and bay, fantastic hotels, restaurants, bars and nightlife. The strategic location of the port facilitates the display of prestige automobiles and helicopters, and private jets around an extraordinary selection of yachts.

The Old Port will host Cannes Collection thanks to the commitment and confidence of the City of Cannes and the Nice-Côte d'Azur Chamber of Commerce and Industry.

## THE ORGANISERS

Cannes Collection was conceived by Bertrand Foäche and Eric de Saintdo.

Bertrand Foäche is the man behind a number of globally renowned exhibitions. In 1989, he co-founded Premiere Classe, now the international standard for fashion accessory exhibitions. He also founded Who's Next, the essential Parisian show for new fashion trends and, in 2004, he launched Fame, showcasing the world's top ready-to-wear brands. In 2011, Foäche orchestrated a buyout of Salon du Prêt-à-Porter Féminin to bring all the biggest players in the Paris fashion show sector together, representing over 2,000 exhibitors and 60,000 professional buyers.

Eric de Saintdo is an experienced organiser of major international exhibitions with extensive knowledge of the luxury sector, both locally and internationally. He lives in Cannes and was the organiser of the Cannes Boat and Yacht Show (Festival International de la Plaisance de Cannes) for 10 years. He has launched several shows for Reed Exhibitions. Formerly Chairman of Camper & Nicholsons, one of the major players in the world of luxury yacht brokerage, and Chairman of the management board of the Rodriguez Group, he is presently the CEO of Fair One. In addition to organising major international exhibitions, de Saintdo is also a specialist in the yachting sector, as well as luxury sectors like prestige automobiles and fine watches.

Eric and Bertrand have assembled a world-class senior team of extremely experienced people, hand-picked from the international exhibition and luxury brand sectors, to help deliver Cannes Collection.
